I. HEDGE FUND GROUP (HFG) OVERVIEW

The Certified Hedge Fund Professional (CHP) exam is sponsored by the Hedge Fund Group (HFG), the largest international hedge fund association in the world with over 66,000 members. Members include multi-billion dollar hedge funds, hedge fund analysts, professors, consultants, third party marketers, prime brokerage professionals, and some of the leading hedge fund service providers in the industry.

The HFG has over 50 Hedge Funds and Fund of Hedge Funds professionals on its Advisory Board. The group continues to attract new members, some of whom will join the Board of Advisors who oversee the CHP Designation Program.

II. CHP LEVEL 1 & LEVEL 2 DETAILS

The CHP Designation Program is a 100% online continuing education course. The CHP consists of two levels of testing, Level 1 and Level 2. Level 1 certifies that you have mastered a certain breadth and depth of hedge fund industry knowledge to help you excel within your current hedge fund position or enter the hedge fund industry.

Level 2, a more advanced certification, provides coursework and training in a specific area of the hedge fund industry such as due diligence, marketing/sales, investor relations, or analytics. While completing Levels 1 & 2 is not required to be considered a CHP Alumni, you must complete Level 1 before registering for or taking the exam for any Level 2 module.

III. CHP LEVEL 2 PROGRAM TIMELINE

Registration for the CHP program is open year round with examinations offered every quarter. Admittance to exam dates is limited to the first 150 professionals. Examinations are held online every 3 months on:

- January 10th
- April 10th
- July 10th
- October 10th

After registering for the CHP, you are welcome to schedule your examination date. *Please note that the deadline to select your exam date is the 6th of each examination month.* For example, to schedule yourself for the January 10th examination date, an email must be received by January 6th with a request to sit for the January 10th exam.

4 STEP CERTIFICATION PROCESS

After the examination is completed, answers are graded and results are sent out within one month. Results will be sent via email.

IV. CHP LEVEL 2 MARKETING & SALES EXAM PREPARATION

Candidates should purchase all the reading materials and follow the outline provided within this study guide. The keywords provided on page 5 suggest some additional ideas on what to pay attention to in the readings, but they do not cover everything that will be on the exam. The CHP exams are conceptual in nature and require more of an understanding than the ability to memorize facts, figures or calculations.

Preparation time required for this exam depends on each candidate's current knowledge, experience, reading speed and comprehension. We suggest 75-100 hours of reading/study time to prepare for the exam.

The Level 2 Marketing & Sales exam is offered 100% online, offering you the option to complete the exam from your place of work or from home as long as you have a reliable internet connection. To complete the exam in the allotted two hour time frame requires mastery of the core concepts covered in the required readings as well as mastery of main ideas that are tested in essay format. Those who have not read the required material may have difficulty in completing the exam within the 2 hour time limit and achieving a minimum score of 80% or better to pass this CHP Exam.

ADDITIONAL RESOURCES POLICY

You will not need a calculator, ruler, or any graphing device for the Level 2 Marketing & Sales CHP exam. The formula-based questions concentrate on identifying formulas and understanding their meaning, rather than performing actual calculations.

CHP LEVEL 2 EXAM AND COMPLETION OF THE CERTIFICATION

All CHP candidates must pass the Level 1 exam before attempting the Level 2 exam. Completion of both Level 1 and Level 2 is not required, however, to be a CHP Level 1 Designation holder.

The Level 2 exam is administered on the same dates as the Level 1 exam (aforementioned in this study guide). Upon successful completion of the Level 2 exam, the CHP Advisory Board confers the full CHP title upon the candidate. At that time, the full CHP designation is available for participants to use.

VI. OVERVIEW AND THE CORRESPONDING KEYWORDS FOR EACH TEXT

A. REVIEW OF BOOKS

Please Note: All chapters and page of these four books are required reading for this program. They are relatively quick reads and book #1 you have already reviewed for CHP Level 1.

The books required for this program approach hedge fund marketing from three perspectives: direct hedge fund marketing and capital raising, sales best practices, and influence and persuasion tactics. The purpose of combining this diverse reading list is make sure that everyone who completes this program holds hedge fund marketing and capital raising knowledge as well as a baseline of marketing and sales abilities.

While preparing this program our team found that there is not one authoritative book or even white paper on hedge fund marketing and sales. To address this issue we have written the book, Hedge fund Marketing Practices and we will also be including video lectures and short hedge fund marketing and sales tips and tactics as part of the program.
